

MARCH · 1911

From Emmett Jay Scott

Tuskegee Ala [Mar.] 20 1911

Garland Penn calls me from Atlanta on telephone early this morning to say that sensational article of column in length appears in Constitution this morning respecting yourself have requested him to telegraph character of article to you, and to urge that you see officials of associated press and have these harmful statements corrected in afternoon editions today and in tomorrow mornings papers. Shall do everything possible at this end to counteract effects. Shall send out dispatch today from here expressing confidence of teachers and officers if you think well of it please instruct me fully.
