To the Editor of the Tuskegee *Macon Mail*

[Tuskegee, Ala., Apr. 16, 1884]

Editor Mail: I take this method of expressing the thanks of the Tuskegee State Normal School to the Magnolia Hook and Ladder Fire Company, colored, of Tuskegee, for their very generous donation of \$25 towards the proposed new building. The race will grow in proportion as we learn to help ourselves in matters of education.
