### From Horace Bumstead

Boston, Mass. March 1, 1907

My dear Dr. Washington: The recent action taken at Tuskegee in regard to Rev. Edgar J. Penney has raised some questions which it seems desirable to bring to your attention. As Mr. Penney is not only a graduate but also a trustee of Atlanta University, his reputation and future usefulness cannot fail to be matters of deep concern to our Board as well as to all friends of our Institution.

We realize that all the facts in the case may not be before us, and if we have been misinformed we shall be grateful for any correction.
